

RTMS G4 Cable Assemblies

(also available for RTMS X3)

RTMS Cable Assemblies are made with high grade cable components. The connectors are pinned, tested and potted and sealed, with a backshell and self-potting heat shrink to provide ultimate protection from the elements.

Available In:

- RS-232 only
- RS-232/IP
- Dual RS-232
- RS-485/IP
- 232/Contact Closures
- Custom configurations also available
