

V20B Pole Mount Adapter

- Accommodates a variety of Vicon wall mounts or a standard 1-1/2 inch pipe flange
- Adapts a wall mount for pole installation
- Easy installation

The V20B Pole Mount Adapter is a heavy-duty unit that accommodates Vicon's medium- and heavy-duty wall mounts for outdoor installations.

The V20B with an attached wall mount can support a complete camera system, including pan-and-tilt drive, camera housing and camera, up to a load limit of the particular mount being used. Constructed of aluminum or stainless steel, the V20B provides sturdy installation that is capable of withstanding extreme weather conditions.

ASSOCIATED EQUIPMENT AND ACCESSORIES

Models V24WM and V24WM-SS Wall Mounts, Product Codes 1930 and 1930-10: Provide support for the heaviest camera station installations. Refer to Product Specification 262.
